Colton is a grade 5 student here at Richardson who learned first hand last year, how important emergency care is and specifically when dealing with heart issues. Colton's heart stopped functioning while at the hospital emergency ward and he is now making an impressive come back. You can read all the details on the Children's Hospital Website. It is Colton's wish to give back to the hospital that gave him life and in doing so he will lead the fundraising effort here at the school.

Our kick-off assembly will be on Friday, March 31 at 9:00 a.m. Fundraising will begin on April 1, 2017 - please watch for more details after spring break.
